

## Reception Home Learning - Week starting: 4.5.20

Here are some activities mostly taken from the week 4 home learning sheet for you to have a go at.

Don't forget to take pictures of you and your work and upload them to Tapestry or send to the class email [westgreen.redclass@gmail.com](mailto:westgreen.redclass@gmail.com) so we can see all your brilliant work!

Literacy	Literacy	Maths	Maths	Topic
Add your own animal into the story of 'Dear Zoo' and label it e.g. So they sent me a...hedgehog, but he was too prickly....so I sent him back.	Draw an animal of your choice. Label the parts of the animal. You could create a fact file e.g. where does it live? What does it eat?	Collect all the toy animals you have in your home and count how many you have of each animal. Which animal do you have the most of ? Which animal do you have the fewest of? Can you add two of the groups together? How many animals do you have altogether?	Use the 'Tens Frames' or 'Five Frames' on this <a href="#">game</a> and practise recognising amounts. This can also be done by reading a dice when playing board games, playing with cards, identifying how many food items on the plate etc.	Play this <a href="#">animal sound match game</a> . Sing the song, 'Old McDonald Had a Farm'. Instead of saying the name of the animal, take turns to make the sound. Can the other person figure out which animal it is?
Expressive Arts and Design	Expressive Arts and Design	Technology	Understanding the World	Experience
Choose a soft toy animal or small animal figure and create a junk modelled container or den for it.	Draw as many big animals as you can on one piece of paper and as many small animals as you can on another sheet of paper. Can you label your animals?	Have a go at accessing Purple Mash and complete an activity of your choosing. (Log in details have been emailed to your grown ups)	When you have your daily time outside, or by looking out of the window, check for changes that are happening as the season changes. Do the trees look the same as they did three weeks ago?	What activity are you enjoying doing at home with your family? Take a photo or draw a picture and write something about it.
